Lead, South Dakota

NEWS & NOTES

RIBBON CUTTING - We're excited to officially open JAILHOUSE TAPS in the basement of the Historic Townhall Inn (in what used to be the town jail. This will take place on Friday evening, September 4th at 4pm. Hope to see you there!

ANNUAL BANQUET CANCELED - In light of everything, we've decided to cancel the 2019 Annual Banquet. Our team will do a Facebook video to review the 2019 year. Save the date for Thursday, March 18, 2021.

BLOOMERS FLOWERS & CAKES - A big thanks for making pie for our August Pie Social and Chamber Mixer. We had a good turn out for a pleasantly cooler evening and enjoyed music by T. J. Ellis. We'll be back again next year!

FIREWORKS DISPLAY - Due to the lack of city staff this year, we have agreed to help them out and do finale on Monday evening. This event is pending the fire conditions that weekend (with this hot late summer and super dry winds it's looking dim), but we'll alert you as soon as we know and will make the final decision public on our Facebook page.

DIAPER DRIVE - The LORD'S CUPBOARD & ST. VINCENT DE PAUL are working to establish the Northern Hills Diaper Bank that will be located in Lead! The diaper drive will be at LYNN'S DAKOTAMART on Friday, September 11th, from 4pm-7pm and Saturday, September 12th, from 8am-noon. They'll be accepting diapers or cash donations. For more info, call (605)920-1975.

WELCOME NEW MEMBERS! - AGNICO EAGLE is a Canadian-based international gold company founded in 1957, with operations in Canada, Finland and Mexico and exploration and development activities extending to the United States. Agnico Eagle employs 9,000 people and produced 1.78 million ounces of gold in 2019. Agnico Eagle has been selected as one of Canada's Top 50 Companies for environmental and social responsibility.

Locally, Agnico Eagle USA has been gathering information to better understand the environmental conditions and mineral resource potential at the Gilt Edge Mine. We are honored to welcome them as part of our Lead community! // THE LEAD ASSEMBLY OF GOD has been a congregation in Lead for 81 years. They now meet at the church on 105 Wall Street, right behind the old Wells Fargo building. Paul Thompson has been their pastor since 1999 and is proud to have made Lead his long term home. He says that the church is an active family and has a great mix of generations - from older to younger families that bring the average age to somewhere around 40. "We'd love to see you!" he invites all to worship with them on Sunday mornings at their celebration service with live music, Biblical preaching and family atmosphere each week at 10:30am. They will resume Wednesday night meetings for kids and adults starting September 16 with a light supper each week at 5:30 and program after.
