

## 24-25 LEAD MAGAZINE

Our annual publication is a way for us to spotlight our membership with editorial content. Your membership gets your business and organization mentioned, but why stop there?

Our full-color 46-page publication highlights places to visit, stay, and play. Flip it over and find a helpful relocation guide with information on our community and the many services we offer for residents (and visitors alike)!

As well as distributing to the visitor centers along I-90 we also work with Road Runner distribution to make sure this magazine is available all over the Black Hills.

The 2024 - 2025 issue will have a run of 10,000. Want to stock? Issues will be available in early April. We'll bring you a box or two!
